Although you are free to enjoy the content associated with this PDF for your personal use, my work is under copyright (music, images and writing). Please do not distribute or publish materials on Facebook or elsewhere intended as a gift for my followers. I would of course be very happy for you to point your family, friends and colleagues to my web sites where they can enjoy my work, and which I also list at the base of this presentation.

Artwork: **Land, Sea, and Sky**

The full size artwork can be found in the folder that accompanies this PDF.

Art provides a place to pause. A chance to catch my breath.

I gaze at the soft golden sand, the arc of incoming water, the distant forms and clouds.

My small concerns meld into the larger picture.

I find a place to love and share. What more is there to life?
